

TFR + POLISH

TRAFFIC FILM REMOVER WITH POLISH

- *Cleans and waxes in one operation*
- *Silicone free*
- *Concentrated for economy in use*

USES

A powerful pressure washer additive to remove traffic film and leave a protective shine.

TFR + POLISH has a controlled foam level to ensure a free-rinsing finish and effective degreasing.

Suitable to remove traffic film, grease and dirt from all makes of cars, vans, lorries, tankers, curtain-sided and commercial vehicles. TFR is an alkaline cleaner, ideally suited to the regular cleaning of prestigious fleets to preserve their appearance.

DIRECTIONS

Dilute with water according to the area to be cleaned. Pre-dilute TFR & POLISH before filling the detergent feed tank. Adjust the detergent feed rate to achieve the cleaning action required. Apply to the surface using pressure washer equipment and then rinse off immediately with plenty of clean water.

N.B. DO NOT ALLOW TFR & POLISH TO DRY OUT ONTO SURFACE OR STAINING MAY RESULT.

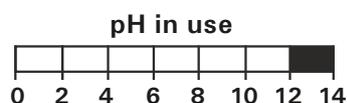

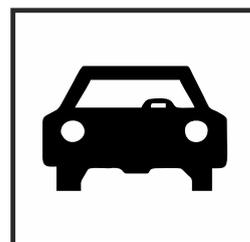

N.B. NOT TO BE USED ON ALUMINIUM.
