

CHLOR 5

BLEACH (5% AVAILABLE CHLORINE)

- Economical - a little goes a long way
- Powerful and effective bleaching action
- Versatile product

USES

A concentrated bleach solution that's suitable to clean and deodorise drains, floors, lavatories, waste pipes and other areas that need a powerful chemical cleaning action.

A pale yellow liquid with a characteristic odour, Chlor 5 whitens soiled and stained fabrics.

DIRECTIONS

CHLOR 5 should be handled with care, as splashes can cause damage to some floors and fabrics.

CHLOR 5 must never be mixed with other chemicals.

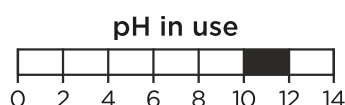

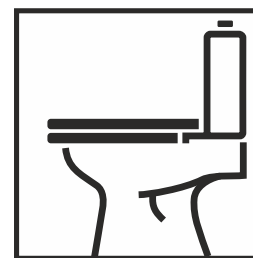

Always read the label and product information before use.
