

ENCHANT

HIGH IMPACT LEMON AIR FRESHENER

- Long lasting, lemon fragrance
- Conditions the air
- Neutralises stale odours

Air freshener with a high impact lemon fragrance in a handy ready-to-use package.

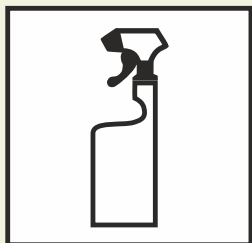

USES

An immediate intense impact from fresh lemon peel notes, drying down to delicate notes of sweet lemon blossom to give a long lasting sophisticated aroma.

Ideal for pubs, restaurants, hotels, night clubs, changing rooms, public buildings, nursing homes, etc.

DIRECTIONS

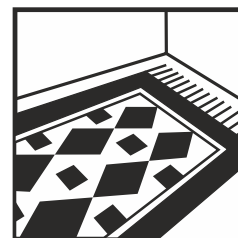

Use ENCHANT undiluted and spray into the corners of the room or entrance matting to enhance the atmosphere. Ideal to lightly spray into waste bins or to neutralise tobacco odour.
